Administrative & Academic Experience

1. Leadership & Administrative Roles

Head of Anesthesia Technology Department (Academic Years: 2020/2021 – 2023/2024)

Managed the department's academic and administrative operations, overseeing faculty performance and staff workflows.

Directed course scheduling, curriculum distribution, and duty allocations for teaching staff.

2. Academic & Teaching Experience

- Faculty Member – College of Pharmacy
- Delivered specialized undergraduate courses and developed comprehensive academic curricula.
- Provided academic mentorship and research supervision for undergraduate students.

3. Examination Management & Coordination

- Examination Committee Management
- Designed and optimized student seating plans and exam hall distributions in compliance with academic regulations.
- Supervised the execution of mid-term and final examinations, ensuring a secure, well-organized, and structured testing environment.

4. Academic Committees & Professional Contributions

Institutional & Scientific Committee Membership

Actively served on standing and ad-hoc university committees (e.g., Scientific Committees, Quality Assurance, and Student Disciplinary Committees).

Supervised senior graduation projects and mentored student academic initiatives and research activities.
