EDUCATION

Bachelor's Certificate

I studied at the Faculty of Computer Science and Information Technology at Sumer University for 4 years from 2016 to 2020, and my average was 68.

Masters Certificate

I studied at the Faculty of Computer Engineering, Department of Artificial Intelligence, at Azad Khoraskan University, Isfahan, Iran, for two years, from 2021 to 2023, and my average was 17.

EXPERIENCE

Through my bachelor's and master's studies, I have gained experience and professionalism in many computer programs, and these programs include Word, Excel, Presentation, and Access, as well as the possibility of teaching computer-related subjects. Among these subjects are computer vision, data warehouse, data mining,
