

CV

1-Personal Data:

Name :	Dr. Eng. Mohammad Yassin Sobeih	
Sex :	Male	
Date & Place of Birth:	22, Dec 1957, Lattakia-Syria.	
Nationality :	Syrian	
Languages :	English & Czech Besides - the Mother tongue (Arabic)	
Martial Status :	Merried with three kids	
Postal Address	Tel : 00963930210867- 009647863527473	
Faculty in Syria	Informatics Engineering Faculty - Tishreen University- Latakia- Syria.	
Faculty in Iraq	Department of Biomedical Engineering-College Of Engineering -Alayen Iraqi University- Thi-Qar, Iraq.	
Field of Specialization	Computer Systems & Wirles Engeniring.	
Google Scholar	https://scholar.google.com/citations?authuser=1&user=2Rkt8MgAAAAJ	
Email:	msobeihy@gmail.com	

2-Educational Certificates:

B.Sc. degree in radioelectronic	specialized in electronic instrumentation & digital techniques). Electronic circuits & Systems engineering dept.	1984	Technical university of Brno – Czech Republic.
M.Sc degree	electronic circuits & Instrumentation engineering.	1984	Technical university of Brno – Czech Republic.
Ph.D. degree in technical sciences	Computer System & Wirles Engeniring	1991	Technical university of Brno – Czech Republic.

3-Previous and current administrative and scientific tasks:

1- - Head of the Basic Sciences Department at the College of Engineering - Western Mountain University - Libya. 1997-1999.
2- - Head of the Basic Sciences Department at the College of Informatics Engineering - Tishreen University - during the period: 2009-2012.
3- - Head of the Basic Sciences Department at the College of Informatics Engineering - Tishreen University -during the period: 2016-2018.
4- - Head of the Department of Computer Networks and Systems at the Faculty of Informatics Engineering - October University - 2016-2018
5- - Scientific Deputy in the Faculty of Informatics Engineering - Tishreen University - during the period:2015-2017.
6- - Administrative deputy in the Faculty of Informatics Engineering - Tishreen University - : from the date of 2017 - and he is still in his position
7- -Head of the Department of Biomedical Engineering-College Of Engineering -Alayen Iraqi University- Thi-Qar, Iraq. from the date of 2024- til now.

21-Articles and scientific research that were published: . And she participated in some scientific conferences.

5-Teaching experiences and courses that I teach:

1- Faculty of Mechanical and Electrical Engineering - Tishreen University - Lattakia - Syria - 1992-1996.
2- University of Western Jabal Libya and the University of April 7th (Sabratha) (1996-2000).
3- Faculty of Informatics Engineering - Tishreen University - Lattakia - Syria - from 2004 until now.
4- The Private University of Cordoba (previously Al-Mamoun) - Al-Qamishli - Syria: (2009-2011) - and from the date (2015- until now).
5-Alayen Iraqi University- Thi-Qar, Iraq from 2023-til now.

In the Faculty of Informatics Engineering - Tishreen University:	At the Private University of Cordoba:	At the University of Western Mountain and Sabratha - Libya:
1- Logic circuits, third year	1- Microprocessors 1 + 2.	1- Microprocessor 1 + 2.
2- Building Computers I, third year	2- Computer architecture and organization 2 + 1.	2- Applications of microprocessor 1+2.
3- Building Computers II, fourth year	3- Computer networks1 + 2.	3- Computer networks 1 + 2.
4- Signals and systems, second year	4- Peripheral devices.	4- Integrated circuits.
5- Operating Systems 1 + 2 (Year 3 + 4)	5- Integrated circuits.	5- Electronic circuits 1 + 2.
6- Computer Networks 1 + 2 (Year 4 + 3)	6- Operating systems 1 + 2	6- Digital circuits.
7- Electrical and electronic circuits, second year.	7- Electronic Circuits.	Alayen Iraqi University
Postgraduate Masters:		Medical communication systems
1- Scientific research methods		Processors and microcomputers
2- Supervising graduation projects		
3- Supervising master's and doctoral theses.		

6-Supervising scientific theses for postgraduate studies (Master - PhD):

Number of completed theses - Master	Number of completed theses - PhD	- in progress - Master	in progress - PhD
5	3	4	2

Al-Nasiyriya: 20/10/2024

Dr. Eng. Mohammad Yassin Sobeih
